ACCESSORIES CATALOGUE 2009 / VEHICLES

ACCESSORIES CATALOGUE 2009

EDITORIAL 2009

The accessories catalogue 2009 presents the accessories specific to each current Renault and Dacia vehicle.

The different chapters give you quick access to the desired information.
This volume is divided into 21 vehicle chapters.

An extra chapter presents the accessories common to all vehicles.

We remind you that this catalogue is intended for use exclusively by professionals in the Renault network.

If you require any additional information, do not hesitate to contact the information call centre on 0000 000 000 or send an e-mail to the following address: info@renaultparts.fr

EXTERIOR PERSONALISATION

■ Placed on the sides of your Twingo with a repeat on the rear bumper, this stripping gives your vehicle a resolutely sporty look ■ In three shades of grey, the “Grey Shadows” gives your Renault Sport Twingo that extra touch of glamour

”GREY SHADOWS” STRIPPING (all Twingo II)

Reference	82 00 976 499
LT	0.5 h

■ Inspired directly by the Twingo Concept Car presented at the Mondial de Paris 2006, this stripping gives your Twingo a trendy look with a touch of sportiness ■ Light grey in colour, this stripping perfectly matches the lines of your Renault Sport Twingo, whatever the colour

”CHESS” STRIPPING (all Twingo II)

Reference	82 00 976 497
LT	0.5 h

INTERIOR PERSONALISATION

”POWER PADS” PEDAL PADS (all Twingo II)

- Inspired by the Twingo Concept Car, these brushed-aluminium pedal pads enhance the sporty look of the passenger compartment while providing a touch of originality
- The accelerator, brake and clutch pedals are modelled on play / stop / pause buttons

Reference	82 00 976 479
LT	0.1 h

GEAR LEVER KIT MARKED WITH RENAULT SPORT

(Twingo RS/GT 1.5 dCi)

- The gear lever kit combines a satin chrome zamak knob with a leather/alcantara sleeve with blood orange top-stitching
- It perfectly matches your dark carbon interior to emphasise the sporty look of your Renault Sport Twingo
- In addition to the aesthetic side, this knob facilitates precise gear changing thanks to its increased weight

Reference	82 00 976 487
LT	0.1 h

HAND BRAKE HANDLE MARKED WITH RENAULT SPORT

(all Twingo II, Clio II and Kangoo)

- An accessory which complements the gear lever kit, this stylish satin chrome zamak hand brake handle adds a sporty touch and ensures a fully matching interior
- Its exclusive design has been carefully developed for optimum ergonomics and pleasant handling

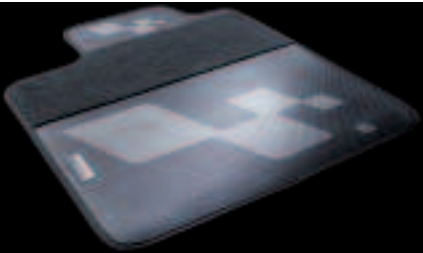

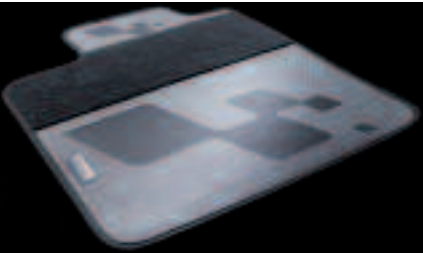

Reference	82 00 976 486
LT	0.1 h

SET OF 4 LUXURY MATS IN THE RENAULT SPORT CHEQUERED DESIGN

(all Twingo II)

- 100% compatible with the original predispositions
- To protect the floor and emphasise the competitive spirit of your Twingo, these high-quality rubber Renault Sport mats with a chequered design have an incomparably dynamic look
- To really personalise your Twingo, two versions are available: black checks on a grey background and grey checks on a black background
- An aluminium plate marked with Renault Sport completes this top-of-the-range finish

RENAULT SPORT, ACCESSORIES

The accessories presented below were developed for the launch of the Clio III, Renault Sport version.

- Some of them are specific to the Clio III RS version (cannot be fitted on other versions of the Clio III)
- Others are compatible with all versions of the Clio III, i.e. they can be fitted on “classic” versions and the Renault Sport version. This is specified in each product description.

CUP REAR SPOILER

■ Straight from the field of competition (Clio Cup), this rear spoiler will emphasise the sporty nature of your Clio III ■ The kit consists of the rear spoiler with primer but not painted, carbon-appearance side wind deflectors, fastening kit and neoprene seals ■ Renault Sport emblem

CLIO III (all models)	
Reference	82 00 742 647
LT	0.2 h
FT	0.6 h

BLADE UNDER FRONT BUMPER

■ Carbon appearance blade with the Renault Sport emblem ■ Emphasises the aggressive nature of the front panel ■ Also ensures improved vehicle behaviour at high speed ■ Includes pre-cut vents ensuring improved cooling ■ The kit consists of the blade under the bumper and the fastening kit

CLIO III, Renault Sport version only	
Reference	82 00 749 281
LT	0.5 h

SIDE SILLS

■ Carbon-appearance side sills ■ Enhance the dynamic nature of the vehicle and smooth the air flow around the rear wheel wells ■ Marked with “Renault Sport” around the side wind deflectors ■ The kit consists of the carbon-appearance side sills and the fastening kit

CLIO III, Renault Sport version only		
Designation	Reference	LT
Right-hand side sill	82 00 805 729	0.5 h
Left-hand side sill	82 00 805 727	0.5 h

LOWER FRONT BUMPER GRILLE

■ Deployed metal grille directly inspired by the experience of Renault Sport in the field of rallying ■ Enhances the sporty look of the Clio III Renault Sport ■ Fitted in place of the original grille ■ The kit consists of deployed metal grille with PVC coating ■ Available in two colours: aluminium and black.

CLIO III, Renault Sport version only		
Colour	Reference	LT
Black	82 00 766 111	0.5 h
Grey	82 00 749 286	0.5 h

EXHAUST OUTLETS

These 2 chrome-appearance steel outlets carrying the Renault Sport emblem enhance the dual exhaust outlet. They emphasise the dynamic and sporty nature of your vehicle.

■ This kit consists of 2 chrome-appearance steel outlets carrying the Renault Sport emblem and the fastening kit

CLIO III, Renault Sport version	
Reference	82 00 749 296
LT	0.1 h

CLIO RS STEERING WHEEL AND INSERT

■ Taken from the standard Clio Renault Sport, this three-spoke ergonomic steering wheel combines smooth and perforated leather ■ The grey top-stitching and initial position marked in red stitching give it a resolutely sporty look ■ Renault Sport seriography completes the personalisation ■ Important: for safety reasons, this steering wheel must be fitted in the Renault network ■ The Renault Sport insert included in the kit, will give the driver’s seat a classy look

CLIO III (all models)	
Designation	Reference
Steering wheel	77 11 421 172
Insert	82 00 749 306

CHECKED STRIPPING

■ Directly inspired by the world of competition (Clio Cup), this stripping gives the vehicle a resolutely sporty look ■ Available in 3 colours: black, white and grey ■ The kit consists of two self-adhesive side elements which are resistant to chippings and light impacts

CLIO III (all models, also compatible with all Twingo II)

TOW BARS / CARRYING ACCESSORIES

SWAN NECK TOW BAR

■ Ball removable with tools ■ High level of mechanical resistance and compliance with standards (CE94/20) ■ Also tested on the vehicle to check that there is no damage (cracks, distortion etc.) ■ Designed for intensive use, treated for corrosion resistance on the protective coatings ■ The electrics kit allows use of the turn indicator fault repetition warning light on the dashboard, even when towing

Designation	Reference	LT
Tow bar	77 11 423 687	0.5 h
7-pin electrics kit without module	77 11 425 202	0.5 h
7-pin electrics kit with module	77 11 425 203	0.5 h

HARMONY STEEL TRANSVERSAL ROOF BARS

■ Set of 2 steel transversal roof bars with black PVC coating ■ Can be used to transport luggage or additional accessories (bicycle carriers, ski carrier etc.) ■ Weight limit: 50 kg ■ Treated for corrosion resistance ■ Comply with City Crash Test

Reference	77 11 218 432
LT	0.2 h

TOURING LINE 65 BICYCLE CARRIER ON BARS

■ Can transport all types of bicycle with a frame diameter of between 22 and 65 mm ■ Steel rail and arm ■ Anti-theft device on bike ■ Fastens to 50 x 60 mm roof bars and on bars with T-groove ■ Supplied with wheel press for racing bikes ■ TÜV certification

Reference	77 11 421 297
-----------	---------------

TOURING LINE 380 ROOF BOX

■ Capacity: 380 l / 75 kg (compared to the market average of 50 kg) ■ Opens on both sides ■ Can be blocked in the open position for easy loading ■ Central locking (3-point) ■ Easy fitting / removal by means of U- and T-shaped mountings ■ Supplied with straps to hold load in place inside the box ■ Dimensions 160 / 85 / 40 cm with a thickness of 4.5 mm ■ TÜV certification

Reference	77 11 236 846
-----------	---------------

DELUXE SKI CARRIER, 6 PAIRS

- 2 anti-theft devices: 1 for the ski carrier on the bars and 1 for the skis /snowboards on the ski carrier
- Large open/close push button: easy to use, even with gloves
- Easy to fit and remove
- TÜV and City Crash Test certification

Reference	77 11 420 779
-----------	---------------

BICYCLE CARRIER ON X-PRESS TOW BAR

- Can be mounted on all tow bars
- Can transport 2 bikes (up to 30 kg)
- Can be fitted quickly without tools
- Bike frames protected by rubber retaining brackets and wheels held in place by straps
- Supplied with a storage cover

Reference	77 11 419 629
-----------	---------------

PERSONALISATION

REAR SPOILER

- Customisation element par excellence
- Enhances the style and emphasises the sporty character of your vehicle

Reference	77 11 425 224
LT	1,6 h

FOG LIGHT TRIM

- Silvery-grey fog light trim adds a touch of class
- Allows you to customise the front of the vehicle and emphasise its unique style

Reference	77 11 425 255
LT	0,3 h

FOG LIGHT KIT

- Improves visibility
- Enhances the aesthetics of the front panel

Reference	77 11 425 364
-----------	---------------

CHROME REAR VIEW MIRROR SHELLS

- Enhances the sporty and dynamic character of the vehicle
- A perfect match for the vehicle as they are the original rear view mirror shells with a chrome coating

Reference	77 11 422 107
LT	0,2 h

ALTAIR ALLOY WHEELS

- Important for both aesthetics and safety considerations, the alloy wheels are an essential part of the range of vehicle customisation accessories
- The weight of the wheels, which are compatible with Renault axles, ensures that they maintain their characteristics of fusibility: the wheel will break before the axle, thereby ensuring driver safety
- The dimensions, identical to the original wheels, ensure compatibility and behaviour (braking, acceleration and cornering) and contribute to vehicle safety
- Compatible with Renault wheel nuts
- Supplied with the Renault glass cover

Reference	77 11 423 482
-----------	---------------

DOOR SILL

- Aluminium appearance
- Protects the door sill plate
- Improves the aesthetics of vehicle access
- RENAULT marking

- Heel mat on driver's mat
- The raised-edge version provides optimum protection for your vehicle interior, even when used in severe conditions (mud, snow)

Designation	Reference	LT
Novestra mat	77 11 425 816	0.2 h
Novestra mat with raised edges	77 11 425 260	0.2 h

REVERSIBLE BOOT MAT

- 1 textile side and 1 rubber side
- Made to measure

Reference	77 11 425 261
-----------	---------------

LOADLINER

- Solid, resistant and perfectly adapted to the shape of the boot
- Reinforced by means of a fibreglass structure
- Fitted with predispositions for anchoring a cargo net
- Easy to fit and remove (no fastenings)
- Can be cleaned by water jet
- Colour: graphite grey

Reference	77 11 425 246
LT	0.2 h

ENVELOPE NET

- Holds small objects in place in the boot
- Provides an additional storage compartment in the boot

Reference	77 11 227 502
LT	0.4 h

PORTABLE STORAGE UNIT

- Storage space and armrest in one single product
- Placed on the central seat on the rear bench seat
- Easy to carry as a hand bag
- Is fastened in the vehicle using the seat belt
- Complies with Renault safety standards

Reference	77 11 237 736
-----------	---------------

COAT HANGER ON HEAD RESTRAINT

- Allows you to hang clothes on the back of the seat without creasing them
- Epoxy steel with polyamide antivibration ring

Designation	Reference
Chrome-plated coat hanger	77 11 219 816
Black coat hanger	77 01 416 351

SAFETY / PROTECTION

MUDFLAPS

- Developed in collaboration with RENAULT Design to ensure that they perfectly match the style of the vehicle
- Protect the bottom of the car body from splashing mud or loose chippings

Designation	Reference	LT
Front mudflaps	77 11 425 212	0,2 h
Rear mudflaps	77 11 425 213	0,3 h

AIR DEFLECTORS

- Allow the air in the passenger compartment to be regenerated
- Smoked methacrylate
- Embedded mounting by means of stainless metal clips (no screws)
- Clip fitting tool provided

Reference	77 01 410 456
-----------	---------------

SIDE PROTECTION ON DOORS

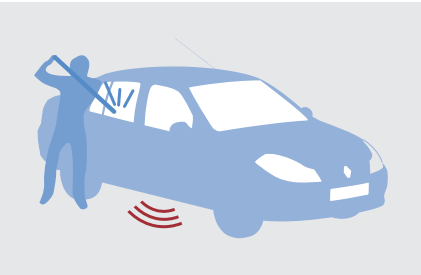

- Developed in collaboration with RENAULT Design to ensure that they perfectly match the style of the vehicle
- Fastened by bonding
- Protect the doors against day-to-day risks

Reference	77 11 425 257
LT	0.7 (provisory)

ALARM

- Economical, low-consumption alarm
- Volume protection by ultrasound: detects any movement in the passenger compartment
- Perimetric protection by contacts: detects any attempt to open the vehicle (doors, bonnet and boot)
- Active high-power self-powered siren
- Door locking control when activated
- Lights flash when deactivated
- Is deactivated/activated when the doors are opened/closed
- Fully compatible with the rest of the vehicle's electronics system

Designation	Reference	LT
Alarm with remote control	77 11 425 197	1.4 h

PARKING SENSORS

- System facilitating reversing manoeuvres by detecting obstacles which may be hit by the vehicle
- Full detection around the rear of the vehicle by means of 4 sensors
- The sound becomes constant when the obstacle is less than 5 cm away
- Compatible with tow bars

Reference	77 11 224 385
LT	2.5 h

Rive gauche rear 1/3 2/3 with armrest	77 11 425 278
Rive gauche rear 1/3 2/3 without armrest	77 11 426 674

DOG GUARD

- Ensures real separation between the vehicle's boot and the passenger compartment, reserved for passengers
- Stainless steel

Reference	77 11 425 250
LT	0.3 h

PORTABLE STORAGE UNIT

- Storage space and armrest in one single product
- Placed on the central seat on the rear bench seat
- Easy to carry as a handbag
- Fastened in the vehicle using the seat belt
- Complies with Renault safety standards

Reference	77 11 237 736
-----------	---------------

SAFETY / PROTECTION

MUDFLAPS

- Developed in collaboration with RENAULT Design to ensure that they perfectly match the style of the vehicle
- Protect the bottom of the car body from splashing mud or loose chippings

Designation	Reference	LT
Front mudflaps	77 11 425 264	0.3 h
Rear mudflaps	77 11 425 265	0.5 h

AIR DEFLECTORS

- For your comfort, the air deflectors ensure that the air in the passenger compartment is renewed and circulated
- The specific design is adapted to the vehicle
- Set of 2 embeddable deflectors

Reference	77 11 425 247
LT	0.2 h

DOOR SILLS

- Aluminium appearance
- Provides stylish protection of vehicle access

Reference	77 11 425 272
LT	0.2 h

ANTI-THEFT NUTS

- Fitted directly on the wheel rims in place of the original nuts
- A multiple-combination key (supplied) is required to remove the anti-theft nuts
- Very high level of security: nuts fitted with a rotary ring making them immune to attack
- High resistance to twisting and armoured to counter any attempted crime
- Nuts produced entirely using a cold stamping technique

Designation	Reference	LT
Front sensors	77 11 238 161	3 h
Rear sensors	77 11 224 385	3 h

TINTED WINDOWS

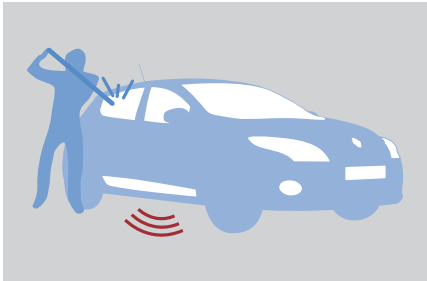

- Protect against heat by reflecting IR rays and reduce glare
- Guarantee privacy and protect objects from prying eyes
- Allow you to save up to 30% of energy consumption intended for interior thermal comfort
- Protect the leather, fabrics and trim against fading and ageing
- Personalise and enhance the exterior look of the vehicle

Designation	Reference	LT
Front windows	77 11 425 516	2.9 h
Rear windows	77 11 425 517	2.9 h

TINTED SAFETY WINDOWS

- The thickness and characteristics of the safety film increase the windows' resistance to impacts: protection against car-jacking
- Much better performance than the simple tinted windows: resistance to traction, resistance to breaking, elongation when broken, resistance to removal
- The side windows are not tinted, unlike the rear windows

Designation	Reference	
Front windows	77 11 425 520	2.9 h
Rear windows	77 11 425 521	2.9 h

ALARM

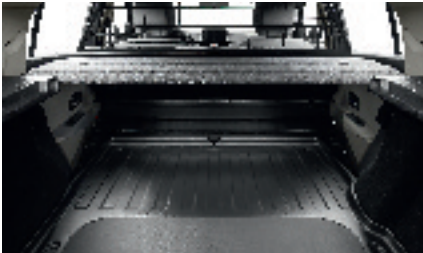

- Low-consumption, economical alarm
- Volume protection by ultrasound: detects any movement in the passenger compartment
- Perimetric protection by contacts: detects any attempt to open the vehicle (doors, bonnet and boot)
- Active high-power self-powered siren
- Door locking control when activated
- Lights flash when deactivated
- Deactivated/activated when the doors are opened/closed
- Fully compatible with the rest of the vehicle's electronics system

Designation	Reference	LT
LH drive alarm	77 11 423 618	1.2 h
RH drive alarm	77 11 423 619	1.2 h

PARKING SENSORS

- System facilitating reversing manoeuvres by detecting obstacles which may be hit by the vehicle
- Full detection around the rear of the vehicle by means of 4 sensors
- The sound becomes constant when the obstacle is less than 5 cm away
- Adjustable sound (3 positions)
- The parking sensors are compatible with tow bars

Designation	Reference	LT
Parking sensors	77 11 224 385	2.5 h
Front parking sensors	77 11 238 161	2.5 h

VP/VS TRANSFORMATION KIT

- VP/VS kit includes a plastic tray and load restraint satisfying the crash test
- Possibility of access to a wider range of PVs and engines
- PV convertibility to facilitate resale of the vehicle
- A luggage cover, separating grille and non-skid mat are also available

Designation	Reference	LT
VP/VS kit	77 11 425 300	1 h
Luggage cover	77 11 425 303	0.2 h
Separating grille	77 11 425 301	0.3 h

RETAINING BRACKET FOR EXTINGUISHER

- Allows a 1-kg extinguisher to be fitted in the passenger compartment
- Subjected to crash test to ensure restraint of extinguisher in the event of an impact

Reference	77 11 425 299
LT	0.2 h

MULTIMEDIA

SONY CDX-GT420U ACCESSORY CAR RADIO

This accessory car radio allows you to listen to mp3 music files stored on a memory stick by plugging it directly into the front panel

CHARACTERISTICS

- CD-mp3-WMA-ATRAC-AAC drive
- USB/AUX-in sockets
- 4 x 52 W
- “Quick-BrowZer”
- Stage II EQ3
- Removable front panel
- 1 preampli output (rear/sub switchable)
- Compatible with steering wheel remote control via an optional adapter

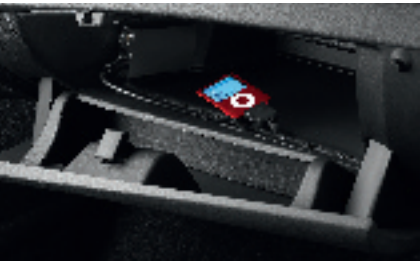

Reference	77 11 424 484

■ Replaces the portable ashtray ■ Post-it refill: standard size sold in shops

Reference	77 11 423 524
LT	0.2 h

SAFETY / PROTECTION

MUDFLAPS

■ Developed in collaboration with RENAULT Design to ensure that they perfectly match the style of the vehicle ■ Protect the bottom of the car body from splashing mud or loose chippings

Designation	Reference	LT
Front mudflaps	77 11 425 264	0.3 h
Rear mudflaps	77 11 425 266	0.5 h

FRONT AIR DEFLECTOR

■ For your comfort, the air deflectors ensure that the air in the passenger compartment is renewed and circulated ■ The specific design is adapted to the vehicle ■ Set of 2 embeddable deflectors

Reference	77 11 425 811
LT	0.3 h

ANTI-THEFT NUTS

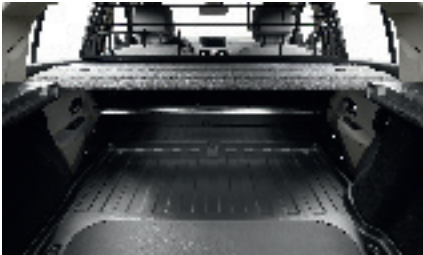

■ Fitted directly on the wheel rims in place of the original nuts ■ A multiple-combination key (supplied) is required to remove the anti-theft nuts ■ Very high level of security: nuts fitted with a rotary ring making them immune from attack ■ High resistance to twisting and armoured to counter any attempted crime ■ Nuts produced entirely using a cold stamping technique

Reference	77 11 239 101
-----------	---------------

RETAINING BRACKET FOR EXTINGUISHER

■ Allows a 1-kg extinguisher to be fitted in the passenger compartment ■ Subjected to crash test to ensure restraint of extinguisher in the event of an impact

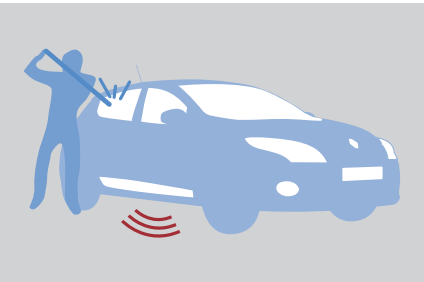

Reference	77 11 425 299
LT	0.2 h

VP/VS TRANSFORMATION KIT

■ The VP/VS kit includes a plastic tray and load restraint satisfying the crash test ■ Possibility of access to a wider range of PVs and engines ■ PV convertibility to facilitate resale of the vehicle ■ A luggage cover and separating grille are also available

Designation	Reference	LT
VP/VS kit	77 11 425 300	1 h
Luggage cover	77 11 426 119	0.2 h
Separating grille	77 11 425 302	0.2 h

ALARM

■ Low-consumption, economical alarm ■ Volume protection by ultrasound: detects any movement in the passenger compartment ■ Perimetric protection by contacts: detects any attempt to open the vehicle (doors, bonnet and boot) ■ Active high-power self-powered siren ■ Door locking control when activated ■ Lights flash when deactivated ■ Deactivated/activated when the doors are opened/closed ■ Fully compatible with the rest of the vehicle's electronics system

Designation	Reference	LT
LH drive alarm	77 11 423 618	1.2 h
RH drive alarm	77 11 423 619	1.2 h

MULTIMEDIA

AUDIO CONNECTION BOX

■ With this accessory, which is connected to the original car radio, you can enjoy your mp3 music collection in your vehicle ■ Plug and play memory stick, mp3 Walkman and iPod ■ Walkman can be controlled using the steering wheel control satellite and iPod/memory stick dashboard display ■ iPod charger ■ Installation in the glove box ■ Compatible with R1 and R2 original radios (without c-box option) ■ ACB compatible with Fakra

Reference	77 11 426 074
LT	0.5 h

SONY CDX-GT420U ACCESSORY CAR RADIO

This accessory car radio allows you to listen to mp3 music tracks stored on a memory stick by connecting it directly to the socket in the front panel.

CHARACTERISTICS

- CD-mp3-WMA-ATRAC-AAC drive
- USB/AUX-in sockets
- 4 x 52 W
- “Quick-BrowZer”
- Stage II EQ3
- Removable front panel
- 1 preampli output (rear/sub switchable)
- Compatible with steering wheel remote control via an optional adapter

Reference	77 11 424 483
-----------	---------------

To install the car radio in vehicles without a car radio, add a front panel spacer

Designation	Reference
Dark carbon car radio front panel spacer	68 26 00017R
Grey car radio front panel spacer	68 26 00018R

PERSONALISATION

GUARDS (FRONT AND REAR END PANEL PROTECTIONS)

■ Catch the eye and emphasise the 4X4 look of the Koleos ■ Perfectly integrated in the vehicle design ■ Guarantee efficient protection against scratches and small day-to-day urban impacts ■ These bumpers give your Koleos an attractive and unique look

Designation	Reference	LT
Front panel protection	77 11 424 786	0.3 h
Rear panel protection	77 11 423 557	0.3 h

REAR SPOILER

Perfectly integrated in the design of the Koleos ■ Enhances and personalises the line of the boot ■ Emphasises the dynamic nature of the vehicle

Reference	77 11 423 562
LT (including paint)	3.5 h

FRONT AND REAR SKIDS

■ Give the Koleos a sporty, dynamic and elegant look ■ The crossover becomes a genuine SUV ■ Guarantee efficient protection against scratches and small day-to-day urban impacts ■ Developed by Renault/RSM, the skids perfectly match the design of the Koleos

Designation	Reference	LT
Front skid	77 11 423 553	0.2 h
Spacer	77 11 425 810	0.1 h
Rear skid	77 11 423 556	0.4 h

BODY KIT (SILL PANEL TRIM)

■ Emphasises the 4X4 look of the Koleos ■ Enhances the rugged appearance ■ Guarantees protection against scratches and small impacts ■ The chrome plate enhances the sill panels ■ Allows you to differentiate and personalise your vehicle ■ Not compatible with mudflaps

Reference	77 11 423 552
LT (paint included)	4.3 h

BUMPER EXTENSIONS

■ Body kit complement

Designation	Reference	LT	FT
Front	77 11 424 145	0.5 h	1.8 h
Rear	77 11 424 146	0.5 h	1.8 h

TINTED WINDOWS

■ Personalise the vehicle and protect the leather, fabric and trim from fading and ageing ■ Guarantee privacy and protect objects inside from prying eyes ■ Protect against heat by reflecting IR rays and reduce glare ■ Up to 30% of energy consumption intended for internal thermal comfort ■ Protect against and discourage intrusion thanks to the increased resistance of the windows while protecting passengers by means of the film's anti-shatter function ■ The front windows kit does not include the windscreen ■ The rear windows kit includes the rear screen

Designation	Reference	LT
Front windows kit	77 11 424 359	1.4 h
Rear windows kit	77 11 424 360	2.30 h

CHROME STRIP FOR REAR VIEW MIRRORS

■ Enhances the sporty and dynamic character of the vehicle ■ Perfect integration as they are the original rear view mirror shells with a different coating

Reference	77 11 424 130

BOOT CARPET

- 1 textile side, 1 rubber side

Reference	77 11 423 662
-----------	---------------

MATTRESS

- Self-inflating mattress
- Waterproof
- Dimensions: 183 x 51 x 3.8 cm
- Inflates automatically when the valve is open

Reference	77 11 424 142
-----------	---------------

TENT

- For anyone who likes taking a weekend break and getting back to nature (automatic tent for 4 or 5 people, built into the vehicle)
- Easy automatic assembly and disassembly (assembly in 7 seconds)
- Composition: awning + automatic tent + connection bar

Reference	LT
77 11 424 122	7 seconds

SAFETY / PROTECTION

AIR DEFLECTORS

- For your comfort, the air deflectors change and circulate the air in the passenger compartment
- The specific design is adapted to the vehicle
- Set of 2 embeddable deflectors

Reference	77 11 424 117
LT	0.2 h

MUDFLAPS

- Not compatible with the bumper extensions (77 11 424 145 et 77 11 424 146)
- Protect the bottom of the car body from splashing mud and loose chippings
- Flexible thermoplastic

Designation	Reference	LT
Front mudflaps	77 11 423 665	0.2 h
Rear mudflaps	77 11 423 666	0.2 h

EXTINGUISHER MOUNTING

- Allows a 1-kg extinguisher to be fitted in the passenger compartment
- Mounting subjected to crash test with extinguisher for optimum restraint in the event of an accident

Reference	77 11 424 128
LT	0.2 h

ANTI-THEFT WHEEL NUTS

- Fastened directly to the wheel rims in place of the original nuts
- A multiple-combination key (supplied in the kit) is required to remove the anti-theft nuts
- Very high level of security: nuts fitted with rotary ring making them immune to attack
- High resistance to twisting and armoured to prevent any attempted crime
- Nuts produced entirely using a cold stamping technique
- For the UK range: nuts tested and certified by the British "Thatcham" institute in accordance with the criteria and specifications of automobile manufacturers.

Reference	77 11 424 132

PERSONALISATION

**STYLING BAR
(FOR KANGOO VAN AND PV)**

■ The styling bars give your vehicle a 4x4 look ■ They give the new Kangoo a top-of-the-range feel ■ Placed at the bottom of the vehicle, they protect the sides from loose chippings etc. ■ Perfectly match the dimensions and lines of your Kangoo

Reference	77 11 423 543
LT	0.7 h

**FRONT HEADLIGHT GRILLE
(FOR KANGOO VAN AND PV)**

■ Decor component

Reference	77 11 423 544
LT	-

**CHROME REAR VIEW MIRROR SHELLS
(FOR KANGOO VAN AND PV)**

■ Style element ■ Fitted in place of the standard shells ■ A perfect match as they are the original rear view mirror shells with a different coating

Reference	77 11 423 545
LT	0.4 h

SAFETY / PROTECTION

**MUDFLAPS
(FOR KANGOO VAN AND PV)**

■ Protect the bottom of the car body from splashing mud or loose chippings
■ Flexible thermoplastic

Front mudflaps	
Reference	77 11 423 612
LT	0.5 h

Rear mudflaps	
Reference	77 11 423 613
LT	0.3 h

**FRONT AIR DEFLECTORS
(FOR KANGOO VAN AND PV)**

■ Allow the air in the passenger compartment to be regenerated ■ Set of 2 embeddable deflectors

Reference	77 11 423 525
LT	0.2 h

**FOGLIGHT KIT
(FOR KANGOO VAN AND PV)**

■ Improves driving safety ■ Improves the aesthetics of the front panel of the vehicle

Reference	77 11 423 541
LT	2.5 h

SAFETY / PROTECTION AND MULTIMEDIA

SPECIFIC ALARM (FOR KANGOO VAN AND PV)

- Volumetric protection by ultrasound ■ Perimetric protection by contacts
- Active high-power self-powered siren ■ Lights flash when activated/deactivated

Designation	Reference	LT
Right-hand drive	77 11 424 354	2 h
Left-hand drive	77 11 239 249	2 h

SECURE HUB CAPS (FOR KANGOO VAN AND PV)

- Thermoplastic injection technique providing a high level of impact resistance
- Sport gradient design ■ Quick and simple mounting on steel wheel rims
- Patented secure fastening system: the hub cap is fastened to the cup by means of a specific wrench

Reference	77 11 421 315
LT	0.4 h

TINTED FILMS (FOR KANGOO VAN AND PV)

- Pre-cut to measure and pre-formed for easy fitting ■ Personalise the vehicle and protect the fabric and trim from fading and ageing
- Maintain privacy and protect objects from prying eyes ■ Protect against heat by reflecting OIR rays and reduce glare
- Up to 30% of energy consumption intended for interior thermal comfort ■ Increase resistance of windows to impacts in the event of attempted intrusion

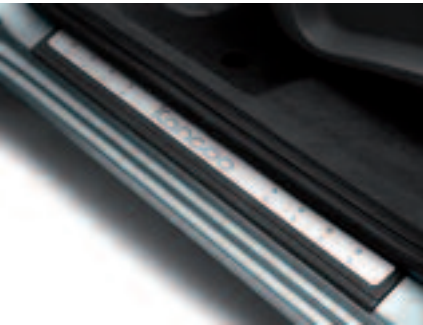

Designation	Reference
Front windows kit	77 11 424 376
Rear screen	77 11 424 377
Rear swing-out door	77 11 424 378
2 sliding side doors	77 11 424 379
RH deflector window for sliding side door+ rear window for RH side of vehicle body	77 11 424 380
LH deflector window for sliding side door+ rear window for LH side of vehicle body	77 11 424 381
Deflector windows for left rear side panel + rear window for LH side of vehicle body	77 11 424 382

FRONT DOOR SILLS (FOR KANGOO VAN AND PV)

- Provide stylish protection for vehicle access ■ Aluminium appearance ■ Set of 2 front sills

Reference	77 11 423 647
LT	0.3 h

FRONT PARKING SENSORS (FOR KANGOO VAN AND PV)

- System which makes parking manoeuvres easy by detecting obstacles which may be hit by the vehicle
- Complete detection by means of four sensors ■ Distance between the vehicle and the obstacle indicated by an intermittent audible signal

Reference	77 11 238 161
-----------	----------------------

MOUNTING FOR FIRE EXTINGUISHER (FOR KANGOO VAN AND PV)

- Enables a 1- or 2-kg extinguisher to be fitted in the passenger compartment

Reference	77 11 423 645
LT	0.2 h

HANDS-FREE KIT WITH WIRE (FOR KANGOO VAN AND PV, LH AND RH DRIVE) (FOR VEHICLE WITHOUT FACTORY PRE-EQUIPMENT)

- The hands-free telephone equipment allows you to make and receive calls while keeping your hands on the steering wheel (to telephone in complete safety, Renault recommends that you stop the vehicle)
- This kit contains: retaining bracket, wiring, universal housing, microphone and aerial
- The specific phone cradle for the customer's mobile phone should be ordered separately
- Not compatible with the Carminat Informed Guidance option

Reference	77 11 421 347
LT	1.5 h

PROTECTION FOR REAR DOORS

Designation	Reference	LT
Strip for rear doors	77 11 424 365	0.7 h
Strip for tailgate	77 11 424 847	0.6 h

MULTIMEDIA

BLUETOOTH® HANDS-FREE TELEPHONE CONTROLS (FOR KANGOO VAN AND PV)

- Automatic wireless telephone connection to car radio and microphone in the vehicle
- Automated transfer of address book (telephone + SIM card) and call record
- Continuity of conversation (automatic switch to vehicle speakers – entering – or to telephone – leaving)
- Total integration (controlled using steering wheel control satellite and display) and audio quality (microphone + sound on 2 front car radio speakers)
- Automatic call hold (safety)
- Not compatible with the Cabasse system

Designation	Reference	LT
CMLTB	77 11 422 128	0.9 h

AUDIO CONNECTION BOX (FOR KANGOO VAN AND PV)

- Plug and play USB stick, MP3 Walkman, iPod
- Walkman can be controlled via the steering wheel control satellite and the dashboard display
- Installation in the glove box on the LH side

Designation	Reference	LT
ACB V1	77 11 419 487	0.5 h
ACB ISO (for vehicles produced from May 2009)	77 11 426 075	0.5 h

FITTINGS FOR BUSINESS USE

WOOD FLOOR

- 2 ranges of wood protection to provide comprehensive cover for our customers' needs
- The cut-out ensures access to the lashing rings
- The wheel wells are pre-mounted for quick fitting

Standard range:

For simple use (floor / 10-mm wheel wells and 5-mm surround).

Wood kits, standard use		
Designation	Version	Reference
Pre-mounted wheel wells, RH SSD*	All versions	77 11 424 980

FITTINGS FOR BUSINESS USE

AAF385

INTEGRATED STEEL ROOF BARS TRAFIC H1

- Sold per unit
- Possibility of attaching up to 3 bars in the locations provided on the vehicle
- This bar must not be attached to the anchoring points located at the front of the vehicle (anchoring points reserved for the roof rack)
- Black PVC-lined steel tube
- Weight limit per bar (including the bar): 50 kg (i.e. for 3 bars: 150 kg)

Reference	77 11 211 611
LT	0.2 h

ROOF RACK

- Supplied with rear roller (except tailgate version) and load restraint bar
- Fastens to specific anchoring points
- Tested in wind tunnel
- Treated for corrosion resistance by black epoxy paint
- Weight limit on the roof (including the roof rack): 200 kg

RANGE OF SEAT COVERS

- Protect the vehicle passenger compartment
- Made to measure
- Resistant and high-quality material
- Exclusive design, perfectly match the interior colour scheme of the Logan

Designation	Reference	LT	Characteristics
Comfort seat cover	60 01 998 101	1.5 h	Basic model
Sport seat cover	60 01 998 131	1.5 h	Mid-range model 3D mesh fabric - Sport design
Elegance	60 01 998 132	1.5 h	Top-of-the-range model

COMPATIBLE WITH SIDE AIRBAGS

Designation	Reference
Sport seat cover	60 01 998 403
Elegance seat cover	60 01 998 402

WING PROTECTIONS

- Protect the car wings against splashing mud, loose chippings and scratches

Designation	Reference
Front wings	60 01 998 316
Rear wings	60 01 998 317

MUDFLAPS

- Protect the bottom of the car body against splashing mud and loose chippings
- Perfectly integrated to maintain the lines of the vehicle

Designation	Reference	LT
Front mudflaps (vehicles produced before 01/09/08)	60 01 998 163	0.2 h
Front mudflaps (vehicles produced after 01/09/08)	60 01 998 601	0.2 h
Rear mudflaps	60 01 998 164	0.2 h

AIR DEFLECTORS

- Allow the air in the passenger compartment to be regenerated
- Smoked methacrylate
- Embedded mounting by means of stainless metal clips (no screws)
- Clip fitting tool provided

Designation	Reference	LT
Front deflectors	60 01 998 273	0.5 h
Rear deflectors	60 01 998 274	0.5 h

PARKING SENSORS

- System facilitating reversing manoeuvres by detecting obstacles which made be hit by the vehicle
- Complete detection around the rear of the vehicle by means of 4 sensors
- The sound becomes constant when the obstacle is less than 5 cm away
- Adjustable sound (3 positions)
- Compatible with tow bars
- The display, attached to the dashboard, indicates the distance and position of the obstacle

Designation	Reference	LT
Logan parking sensors	60 01 998 142	1.9 h
Logan parking sensors with display	60 01 998 143	2.4 h

ALARM

- Economical, low-consumption alarm
- Volumetric protection by ultrasound: detects any movement in the passenger compartment
- Perimetric protection by contact: detects any attempt to open the vehicle (doors, bonnet and boot)
- Active high-power self-powered siren
- Door locking control when activated
- Lights flash when deactivated
- Deactivated/activated when the doors are opened/closed
- Fully compatible with the rest of the vehicle's electronics system

Designation	Reference	LT
Alarm with remote control	60 01 998 203	1.7 h
Alarm without remote control	60 01 998 204	1.6 h

PERSONALISATION

SUV KIT

The SUV kit catches the eye while enhancing the 4 x 4 look of the Sandero. The front and rear end panels lend the vehicle a rugged and powerful look. Designed to match the lines of the Sandero perfectly. 2 versions available: silvery grey and grain-finished black. The elements in neither version require painting.

- The light SUV kit consists of:
- a pair of fog light protectors
 - a SUV-look central blade
 - a rear end panel with the look of the SUV protection

- In addition to this light kit, the following elements can also be added:
- a pair of side sills
 - a pair of fog light grilles (can be fitted alone or with the fog light protectors)

Designation	Reference in grey	Reference in black	LT

■ Weight limit: 50 kg ■ Treated for corrosion resistance ■ Comply with City Crash Test

Reference	60 01 998 210
LT	0.3 h

STEEL ROOF RACK

■ Fastened to anchoring points specific to the vehicle ■ Aerodynamic noise is minimised by means of a deflector ■ Treated for corrosion resistance

Reference	60 01 998 211
LT	1.2 h

FOG LIGHT KIT

■ Improves driving safety and the aesthetics of the front panel

Reference	77 11 421 310
LT	1.9 h

ALARM

■ Protection of the passenger compartment ■ Volumetric protection ■ Installation with contact support 6001998127

Designation	Reference	LT
Alarm with remote control	60 01 998 204	2 h
Alarm without remote control	60 01 998 203	2 h

RADIOFREQUENCY MODULE

■ Option for the alarm, providing additional protection for goods placed in the loading area

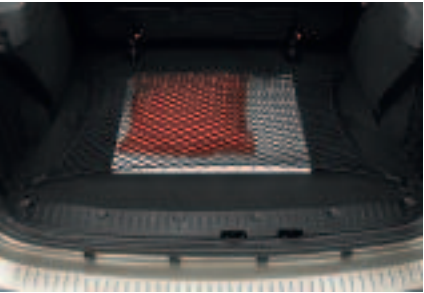

Reference	60 01 998 205
LT	3 h

REAR PARKING SENSORS

■ An audible signal informs you of obstacles located behind the vehicle ■ The system makes parking manoeuvres easy

Designation	Reference	LT
Rear parking sensors 4 sensors without distance display	60 01 998 142	1.9 h
Rear parking sensors with distance display (2 digits)	60 01 998 143	2.4 h

INTERIOR

CARGO NET

■ Holds small objects in place in the boot ■ Provides an additional storage compartment in the boot

Reference	60 01 998 194
LT	NA

ENVELOPE NET

■ This net provides an additional storage space in the boot and is perfect for carrying small objects in its 3 compartments

Reference	60 01 998 212
LT	0.4 h

SEPARATING GRILLE

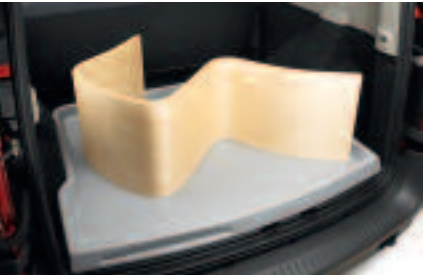

■ Made from stainless steel, this grille separates the passenger compartment from the loading area

Reference	60 01 998 197
LT	0.5 h

LOADLINER

■ Solid, resistant, perfectly adapted to the shape of the boot ■ Reinforced by means of a fibreglass structure ■ Fitted with predispositions for anchoring a cargo net ■ Easy to install and remove (without fastenings) ■ Washable by water jet ■ Graphite grey

Reference	60 01 998 199
LT	0.1 h

COMPARTMENT TRAY UNDER REAR PARCEL SHELF

■ Practical for storing, holding and protecting small objects ■ Adjustable compartments, removable partitions and non-skid base ■ Material: ABS ■ Can hold up to 5 kg

Reference	60 01 998 200
LT	0.5 h

CENTRAL ARMREST

■ Tilt adjustable to suit your driving position, the front central armrest also provides a practical storage space ■ It is available in two colours

Designation	Reference	LT
Black	60 01 998 268	0.8 h
Light grey	60 01 998 148	0.8 h

BOTTLE HOLDER

■ Fastens to the shaft of the head restraint

Reference	60 01 998 068
-----------	---------------

WOOD SIDE PANEL PROTECTION

■ Marine-grade wood ■ Protects the partitions in the loading zone
■ Impact resistant

Reference	77 11 421 870
LT	0.6 h

PROTECTIVE MAT FOR LOADING ZONE

■ Rubber mat ■ Practical and resistant

Reference	82 00 550 379
LT	0.2 h

WOOD FLOOR

■ Protects the loading zone ■ Marine-grade plywood

Reference	77 11 421 869
LT	0.2 h

PLASTIC SIDE PANEL PROTECTION

■ Protects the partitions in the loading zone ■ Impact resistant

Designation	Reference	LT
RH side	60 01 998 214	0.4 h
LH side	60 01 998 202	0.5 h

REAR DOOR PROTECTION KIT

Reference	60 01 998 284
LT	0.5 h

PROTECT AND TECHNO SEAT COVERS

■ Protect the passenger compartment ■ Made to measure ■ 3D-mesh fabric
■ Material: Protect in TEP Vartane and Techno in polyester ■ Exclusive design

Designation	Reference	LT
Protect	60 01 998 245	0.8 h
Techno	60 01 998 233 *	0.8 h

* Not compatible with side airbags

MADRIGAL MAT COVER

- 100 % compatible with the original predispositions
- Made to measure, 4-piece set with elegant velour finish, it provides stylish protection for the floor against wear and moisture
- Dark grey

Reference	60 01 998 321
LT	0.2 h

MONITOR MAT COVER

- Made to measure, 4-piece set in polypropylene with loop-pile carpet and heat-sealed heel mat
- Light grey

Reference	60 01 998 320
LT	0.2 h

SNOW TRAY

- The bucket shape protects against water and gravel to avoid damaging the passenger compartment

Reference	60 01 998 198
LT	0.2 h

SUV KIT

The SUV kit catches the eye while enhancing the 4 x 4 look of the Logan Van.

The front and rear end panels lend the vehicle a rugged and powerful look

Designed to match the lines of the Logan Van.

2 versions available: silvery grey and grain-finished black.

The elements in neither version require painting.

- The light SUV kit consists of:
- a pair of fog light protectors
 - a SUV-look central blade
 - a rear end panel with the look of the SUV protection

In addition to this light kit, the following elements can also be added:

- a pair of side sills
- a pair of fog light grilles (can be fitted alone or with the fog light protectors)

Designation	Reference	LT
Front central end panel - grey	60 01 998 278	0.3 h
	77 11 423 439	
Front side bars	60 01 998 279	0.6 h
